Sawtell Croquet News

May 2025

From the President's Desk

Welcome to our first edition of 'Sawtell Croquet News'.

Just a quick note to say thank you to the members of our social committee. So far this year they have organised Australia Day, Pancake Day, Rabbit Croquet and Anzac Day.

The news letter will be an interesting read for all. You might like to help with content. Things could include a joke, trivia, favourite recipe or a story about your time playing away at other clubs.

Lastly, don't let the bad weather stop you from having a game. Quite often when I leave home it doesn't look good, but by the time we are ready to play it is OK.

As always, Jamie

Our April meat raffle winner was Marguerite Hackett.

Congratulations Marguerite!

Pennants Report - Gaylene Humphries

What a season!

This year's pennant season has certainly come with its challenges, particularly with all the wet weather we have had.

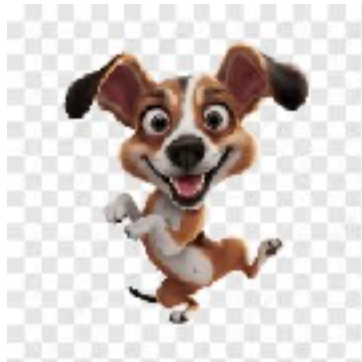

Unfortunately South West Rocks were unable to field a team this year. A big thank you goes out to the remaining clubs & their team members for their flexibility in accommodating rescheduled games. It has been a real team effort & the camaraderie & friendship has been truly inspiring. A big shout out goes out to Woolgoolga who showed exceptional commitment by fielding a team primarily made up by Division Three players.

Sawtell's Division Two team had convincing wins & took out the title.

Division Three was a tighter tussle with our club narrowly winning on a count back from Coutts Crossing. I would like to thank the members who committed to the season & said it would be great to see more members' names put forward for next year's competition.

Jokes

1. Why do gorillas have big nostrils?
2. What lies at the bottom of the ocean and twitches?
3. What do you give a guy that has everything?
4. Why is it difficult to train dogs to dance?
5. What bird is always out of breath?

1. Because they have big fingers!
2. A nervous wreck!
3. Antibiotics
4. Because they have two left feet!
5. A puffin.
